# SUMMER CAMP 2024

For students 12 to 17 years old

## Programme Overview

Introducing our Summer Camp Experience, a unique opportunity for students to explore STEM, English, French, Performing Arts, and Leadership in an immersive and enriching environment. Engage in hands-on STEM activities, improve your language skills with English and French language courses, ignite your creativity through Performing Arts workshops, and develop essential leadership skills. Join us for a summer of learning and growth that goes beyond the ordinary.

## Activities

Beyond the classroom, Saint Charles summer camp is a gateway to a world of exciting adventures. Students have the opportunity to explore charming Swiss cities and towns, where they can soak up local culture and history. Additionally, our program takes them on memorable trips to neighboring countries, offering a truly international experience. But the fun doesn't stop there. Our campers also engage in a wide range of thrilling activities, from multi-sports and kayaking to horse-riding and climbing. Join us for an unforgettable summer of exploration, learning, and fun!
