

BOARDING SCHOOL GENERAL CONDITIONS 2022-2023

Introduction

The present General Conditions shall govern all contractual aspects of the relationships between the parents of our students and the Collège & Lycée Saint-Charles. They shall cover methods of communication, privacy policies and admission conditions as applicable to all boarding school students, whether originating from the Jura region, elsewhere in Switzerland, elsewhere in the EU or outside the EU. The school's various regulations, such as general conditions, boarding school regulations and the dress code, are available on the website and during the enrolment interview.

An interview with the admissions committee is required and the final registration shall be validated by payment of the admission fee. Sibling discounts do not apply to admission fees.

The admission fee is CHF 3'000.00. It covers the administrative costs for the admission process and is non-refundable. Any other indemnities for breach of contract are expressly reserved.

The residence permit will be recognised in all countries within the Schengen area.

However, we do ask that parents submit a student visa application (for non-European students only) upon receipt of documents from the Collège & Lycée Saint-Charles. Collège and Lycée Saint-Charles shall accept no responsibility for late arrivals due to any issues with visas or any other documents necessary for the student's entry into Switzerland. In such cases, the expenses for the first quarter shall still be payable.

Each non-European student must be registered with the originating country's embassy in Switzerland by their parents.

School certificate;

Students motivation letter;

Copy of student's passport;

Birth certificate or family book;

Swiss establishment authorization issued by the Swiss embassy or consulate;

Certificate of parent's financial resources;

Parents are to announce their child to their country's embassy in Switzerland;

Note: Switzerland does not require a visa for some countries whose list can be found on the Swiss confederation website:

https://www.sem.admin.ch/sem/fr/home/publiservice/weisungenkreisschreiben/visa/liste1_staatsangehoerigkeit.html

Weekly pocket money invoiced for the corresponding term can be distributed to the students by the Collège accounting staff, or by the boarding prefects. It is recommended to keep this to a reasonable amount and to adjust the pocket money to the age of the children. The school does not encourage access to independent bank accounts or additional funds. In exceptional circumstances, and if parents wish for the Collège to distribute additional pocket money, parents must deposit the funds in an account at the accounting office.

20. Code of conduct and school regulations (dress code, drugs, alcohol, interpersonal respect)

The school codes of conduct and regulations are available on the website and form an integral part of the General Conditions. Failure to respect these codes will lead to disciplinary action. In the event of a serious violation of this contract or the current codes of conduct, the student may be dismissed with immediate effect.

By signing, parents accept that the school may test their child for the consumption of alcohol or non-prescription drugs. Parents hereby acknowledge that any student who supplies, possesses or tests positive for non-prescription medications or drugs will be required to leave the school.

21. Personal belongings

The school strongly discourages students from bringing high-value items such as designer clothing, watches or jewellery onto the premises. The management shall accept no responsibility for unmarked items and / or valuables that are not deposited with the boarding school house parents.

22. Changes to financial conditions

Upon their acceptance, these financial conditions apply to all students admitted for the current school year, irrespective of whichever edition of the financial conditions may have initially been signed by the parents. This edition of the financial conditions shall apply to all parents automatically. They can be sent to them on request by the administration department.

23. Applicable law and place of jurisdiction

Only Swiss law is applicable to the relationships resulting from this contract, regardless of the home address of the parents or legal representatives. Any legal conflict which could arise from this contract will be submitted to the jurisdiction of the Canton of Jura and the district of Ajoie in Porrentruy.

By signing this contract, the parents or legal guardians of the student undertake to fully accept the general conditions, school regulations and codes of conduct, and in case of re-registration, the general conditions that will be adapted for the following years, as well as any clauses forming part of the regulations of the College & Lycée Saint-Charles.
